M4? Sherman Repotenciado – Unknown location (Argentina)

https://www.facebook.com/groups/404200566340721/permalink/1201765496584220/

M4 Composite Sherman Repotenciado – Unknown location (Argentina)
Built by ALCO, it has on the front hull fittings for a mine roller

---

I'm looking for photos of those vehicles:

Any vehicle that I forgot...

This document is a synthesis of photos and information published on the web.
I would like to thank the people who took these photos and put them on their websites, or sent them to me, and also those who helped me doing this list (particularly people of the AFV News Discussion Board).

Very special thanks to **Pierre-Olivier Buan** and **Massimo Foti**.

For any question, you can email me Rafał Białęcki at: bialy.website@gmail.com
