M31 TRV **reproduction** – National Museum of Military Vehicles, Dubois, WY (USA)

This vehicle has an upper hull reproduction based on an original lower hull / chassis, it has been rebuilt in France and was part of a French association

I'm looking for photos of those vehicles:

M31 TRV – Private collection (Italy)

and any vehicle that I forgot....

This document is a compilation of photos published on the web. I would like to thank especially **Rafał Białęcki**, who deserved the most of the job on this document, and also the people who took these photos and put them on their websites, or sent them to me, and those who helped me doing these lists (particularly people of the AFV News Discussion Board). For any question, you can email me at soldat_ryan@hotmail.com
