M7B2 Priest hull — Private Collection, near Toulouse (France)

This Priest comes from the Garlstadt fire range, in Germany (France AFVs register) and ten of the MM Park in La Wantzenau. This vehicle no longer exists. It has been cut in parts, which will serve for other restoration projects. Lower hull will be used to restore an M4A2 75mm, front upper hull will be used to restore another M7B1

I'm looking for photos of those vehicles :

M7B2 Priest – Stephen Clifton collection in Hooe, East Sussex (UK) - SN 4217 / RN 40152680

and any M7B2 Priest that I forgot....

This document is a compilation of photos published on the web. I would like to thank especially **Rafał Białecki**, who deserved the most of the job on this document, and also the people who took these photos and put them on their websites, or sent them to me, and those who helped me doing these lists (particularly people of the AFV News Discussion Board). For any question, you can email me at soldat_ryan@hotmail.com
